		Wider Dissemination ²	
	EMN NCP Austria	Yes	<p>1. Yes, basically, German language skills must already be available before moving to Austria (for exceptions see Art. 21a para 4 Settlement and Residence Act).</p> <p>2. According to Art. 21a para 1 and para 4 subpara 1 Settlement and Residence Act in conjunction with Art. 9b para 1 Regulation on the Implementation of the Settlement and Residence Act, third-country nationals (over 14 years) must prove knowledge of German at language level A1 when submitting their first application for a residence permit as a family member.</p>

¹ If possible at time of making the request, the Requesting EMN NCP should add their response(s) to the query. Otherwise, this should be done at the time of making the compilation.

² A default "Yes" is given for your response to be circulated further (e.g. to other EMN NCPs and their national network members). A "No" should be added here if you do not wish your response to be disseminated beyond other EMN NCPs. In case of "No" and wider dissemination beyond other EMN NCPs, then for the Compilation for Wider Dissemination the response should be removed and the following statement should be added in the relevant response box: "This EMN NCP has provided a response to the requesting EMN NCP. However, they have requested that it is not disseminated further."

	EMN NCP Italy	Yes	<p>1. There are no specific conditions in this regard. However, it is necessary to point out that the right to maintain or establish the family unit is recognized to foreigners holding a long-term residence permit or a residence permit granted for at least 1 year and issued for the following grounds: employment, asylum, religious or family matters. It follows that the knowledge of Italian language is a prerequisite to obtain a valid residence permit which allows the submission of family reunification's application. Then, according to article 29 of law 286/1998, a migrant legally residing in Italy may ask for family reunification only if he/she demonstrates:</p> <ul style="list-style-type: none"> -an accommodation in accordance with hygiene, health and housing suitability requirements (verified by the competent municipal office); - a minimum annual income resulting from lawful sources; - a health insurance or the enrolment in the National Health System aimed at covering all risks in the national territory for over 65 years old ascendant. <p>After verifying the possession of these requirements, the One-Stop Immigration Desk grants the authorization for the issuing of the visa for family members. Once obtaining this authorization, the third country familiar (for whom the family reunification has been requested) has to ask the issue of the visa to the Italian Consulate in the country of origin which has to verify the authenticity of the family relationship.</p> <p>So, the third country familiar has not to demonstrate any language requirements. Then, withing 8 days from the entry in Italy, the family member has to ask for a residence permit for family reason and sign an integration agreement with the Italian State when applying for a residence permit (art. 4-bis of Law 286/1998 and Decree of President of Republic 179/2011), in order to achieve, in a mutual interest, an effective integration path. The foreign shall undertake to learn an adequate level of knowledge of Italian spoken language (level A2 spoken), a sufficient knowledge of fundamental principles of Italian Constitution, of civic culture and life in Italy (with particular reference</p>

However, the law expressly provides that the holder of residence permit issued for family reasons may not be expelled also If, after 2 years, the abovementioned goals have not been achieved (so, included the language requirement).</p> <p>2. As said before, the knowledge of Italian language is linked to the residence permit issued (so for example, the level required to obtain a long-term residence permit is at least A2, according to EU common framework for knowledge of languages), not to the authorization to apply for family reunification.</p> <p>3. In general, Italy applies the same conditions. However, in case of reunification with a minor of 14 years old (alone or with parents), the requirement of an adequate accommodation may be replaced by the consent of the housing's holder in which the minor shall dwell. Moreover, after the law n. 122/2016, minors of 14 years old are noy longer enrolled in the residence permit issued to their parents: in these cases, authorities issue an autonomous residence permit for family reason.</p>

			<p>2. In order to obtain a residence permit, the TCN must first pass the Basic Civic Integration Examination Abroad. This first exam consists of 3 parts:</p> <ol style="list-style-type: none"> 1. Speaking proficiency - you must be able to speak Dutch. (A1 level) 2. Reading proficiency - you must be able to read Dutch. (A1 level) 3. Knowledge of Dutch society - you need to know how the Dutch associate with each other in the Netherlands, and what the rules there are in the Netherlands. <p>A migrant can prepare for the civic integration examination with the official self-study package. In this package the migrant will find everything they need to prepare for the exams: speaking proficiency, reading proficiency and knowledge of Dutch society. The TCN can download this package free of charge or order it for € 25.00 via the website www.naarnederland.nl. The package is available in 34 languages. A TCN is able to take the exam at a Dutch embassy or Dutch consulate. When signing up for the civic integration examination, the TCN will be able to see whether there is an embassy or consulate in their country. If there is no embassy or consulate in the country, the TCN will have to go to another country. The TCN can choose where to take the exam.</p> <p>Once a TCN lives in the Netherlands, they must continue to integrate. The TCN will then need a Dutch language proficiency of at least A2 level. The integration makes it easier to participate in Dutch society and gives a better chance of getting a job. That is why the TCN still has to pass the Civic Integration Examination in the Netherlands.</p> <p>https://www.naarnederland.nl/brochures https://ind.nl/Familie/partner/voorbereiden/Voorwaarden/Paginas/Voorwaarden-eind.aspx#</p> <p>3.
